

CURRICULUM VITEA

Personal Information

Name:Abdulkreem Mohammed Salih

Date of birth:9-11-1986-Mosul

Nationality:Iraqi

Religion:Muslim

E-Mail:abdulkreem86@ntu.edu.iq

Scientific Department:Electronic Technologies

Specialized fields:Computer Engineering

Scientific title:

Scientific Certificates

Date of Certificate	College	University	Academic Certificates
2017-2018	College of Engineering	University of Mosul	B.Sc
2010	College of Engineering	University of Mosul	M.Sc

Researches

المجلة	اسم البحث	ت
Tikrit Engineering journal	Watermarking Image Using Spread Spectrum Secured	1
Baghdad Engineering journal	Color Image Watermarking Using Encoded Frequent Digital Mark	2
Tikrit Engineering journal	and Implementation of Gray Scale JPEG CODEC on Design Spartan-3E	3

Rafdain Engineering journal	Modified Color JPEG Codec System Using inter pixel A Redundancy	4
Rafdain Engineering journal	Implementation of Multiplierless DCT/IDCT Chip FPGA	5
Rafdain Engineering journal	Conversions on of Multiplier less Implementation\ FPGA Architectures for Color Space	6
Journal of Engineering and Sustainable Development University of Mustansiriya	THE MOST IMPORTANT FACTORS STUDY OF AFFECTING ON EFFICIENCY OF POWER LINE COMMUNICATION SYSTEMS	7

Conferences

- The First Scientific Conference of Graduate Students Research and the Inventors and Innovations of Students in the Completed Stage / University of Technology
- Broadband services on power line communication systems: A review , cscs22:international conference on control systems and computer science,2019, Faculty of Automatic Control and Computers, University Politehnica of Bucharest, Romania
