

Weekly Class Schedule - Department of Medical Laboratory Technologies - Evening Studies / Second Level / 2025-2026

today	G	2:30	3:30	3:30	4:30	4:30	5:30	5:30	6:30	6:30	7:30
Sunday	A	Clinical Chemistry H 24		Worms H 23		Pathogenic bacteria - Bacteriology Laboratory			Computer		
	B	Worms H 23		Clinical Chemistry H 24		Medical Mycology Virology Laboratory			Computer		
Monday	A	Immunology and Pathogenesis (P) Immunology Laboratory				Medical fungi H 24		Pathogenic bacteria H 23		Computer	
	B	Worms - Parasitology Laboratory				Cellular blood disorders H 23		Immunology and Pathogenesis H24		Computer	
Tuesday	A	Worms - Parasitology Laboratory				Cytological Hematology Hematology Laboratory			Cellular blood disorders H 23		
	B	Immunology and Pathogenesis (P) Immunology Laboratory				Clinical Chemistry General Chemistry Laboratory			Medicinal fungi H24		
Wednesday	A	Medical Mycology Virology Laboratory				Clinical Chemistry General Chemistry Laboratory					
	B	Pathogenic bacteria - Bacteriology Laboratory				Arabic language H24					
Thursday	A	Arabic language Hall 24				Immunology and Pathogenesis H24				guidance	
	B	Cytological Hematology Hematology Laboratory				Pathogenic bacteria Hall 23
